Invitation from the desk of the Director

The first Education Summit was successfully concluded on 7th May'17. Attended by some of the most reputed institutes, the visiting students were all passing out from 12th and looking forward to studies out of Jaipur. This is what we are striving to achieve and create this a completely B2B exhibition.

Now that we are introducing SHEF, the students visiting next year will be more target oriented and the platform will actually become an admission forum for coming academic session for UG studies.

We look forward to your participation in 2018.

Best wishes,

ASHISH SHARMA

Director
